EUSTORY Next Generation Summit 2023  
(28 September – 02 October 2023 in Prague)

## General Remarks

Before applying, please ensure that you will indeed be able to participate. Should the event interfere with your school, university or work schedules and you require assistance to obtain leave from school or university due to special reasons (e.g. an exam), please contact the EUSTORY Team ([eustory@koerber-stiftung.de](mailto:eustory@koerber-stiftung.de)) to issue a request to the principal of your school or university.

## Costs

Participation in the Summit is mostly free of charge. The organiser will organise and cover the costs of food and accommodation in Prague from the beginning of the event on 28 September to the departure on 02 October 2023 for all participants. The Summit Coordination Team will support you in the booking process and pay for your journey from your nearest national airport, train or coach station to the Summit location, giving priority to the most eco-friendly connections. Thereby, we will ask those, whose outward ticket to Prague costs less than 150 €, to organise the outward journey themselves and – if possible – to pay for it in advance. It will be fully reimbursed to the participant during or shortly after the Summit in Prague. Participants living in the Czech Republic must organise their domestic journey to and from Prague individually, but their costs will be reimbursed. You will be asked if you or your family are able to advance the money and we will reimburse you with the full amount during or shortly after the event in Prague.

## Accommodation and Catering

Participants will be accommodated in a youth hostel in gender-separated dormitories with people of other nationalities. For the whole event, safety and security are top priorities. Members of the Summit Team will supervise the participants during the day, and some will stay with the group at night. There are no security checks during the night.

## Visa

If you require a visa for the Czech Republic, please contact the Summit Coordination Team via [eustory@labconcepts.de](mailto:eustory@labconcepts.de) as soon as possible so the visa application can be prepared. Körber-Stiftung will cover the costs of your visa.

Therefore, the following rule applies: After having confirmed the invitation to the Summit, the candidate can reject to participate within one week.
